Having never read any of the books by Maeve Morricks, I can honestly say i greatly enjoyed her story. This is the first story in her Arctic Station Bears series. This story grabbed me from the start and hasn't let go. Now I am waiting with baited breath for the next book. This story contains a very different twist on shifting.

**Snowbound (Arctic Station Bears, #1) by Maeve Morricks**  
The book's "hook" is Kneen's illustrations: as with her The Lonely Scarecrow, they are embossed to evoke the textures of the arctic setting and its inhabitants. Children will readily discern the difference between the smooth feel of the fallen snow and the bumpier surfaces of the animals' coats and feathers.
